

Help them play out their dreams.

Sponsor Claim Your Future and...

- Add Claim Your Future game kits to complement your outreach and student success programs for middle and high school students.
- Use your **GEAR UP** grant funding to support local schools and students for just \$299/kit. One kit with 50 career wheels can serve hundreds of students for a few years. That's less than \$1 per student.
- Receive special discounts for **GEAR UP** agencies from 10-40% based on quantities ordered.
- With orders of 100 or more, your brand, regional salary levels, college options, cost of living expenses and more can be customized for your audiences.
- High-touch classroom game play puts your brand in front of the students for over 30 minutes each time they play.

Claim Your Future is a program that helps share financial principles using real-life examples in an easy to understand and relatable way. Playing the game offers students insights into potential careers, options for higher education and much more! Designed for, and by educators to be easy, this simple, out-of-the-box lesson makes financial education fun.

Claim Your Future has been played by thousands of youth all around the country as part of a one-time classroom activity or sometimes as part of a larger curriculum on careers, higher education, and money management.

Join the many state agencies, Gear Up organizations, credit unions and others around the nation in helping youth have a brighter future.
